Subject: Advance Copies Shipping TODAY

Good morning Tom, Dave,

Wiley just got in touch with me, and advance copies of the book have landed at the publisher. A copy has been sent to each of you. This is it. The book. In it's final format and glory.

It should be mass produced in the next week or so, but Tom – you were asking about timeline and it is here.

Dave, the bound proof was stolen from the stand at the meeting. Hopefully, the book will be a satisfactory substitution.

Call or email with any questions.

All the best,

Jen
